

TapDancewear Requirements 2017 - 2018

Appropriate uniform minimizes distractions in class, and allows the instructor to see the students' bodies clearly to make appropriate corrections to their technique. If the instructor has difficulty seeing what is going on with a student's body, she is unable to help the student to dance safely and to their fullest potential.

Part of what we are trying to instill in our students is a sense of discipline and an understanding of the etiquette that comes along with proper dance training. Please be respectful of the art form by coming to class properly groomed. **Students who are not following the dress code may be asked to sit out of class. Prior to this happening, the teacher will speak with the parent about the student's attire.**

If your dancer has any classes back to back with ballet, they may wear their ballet attire into the jazz or tap class and pull shorts overtop of the bodysuit if they wish. If taking a tap exam, they will require the appropriate black bodysuit.
